

Schindler

迅达（中国）电梯有限公司 2017 管理培训生春季招聘

Schindler Management AcceleRation Trainee

Be Schindler. Be SMART.

Schindler moves 1 billion people per day. We are the world's leading service provider in the elevator and escalator industry. Our customers think Schindler is their first choice because we offer trailblazing, reliable and moving products.

Would you like to move up in your career with us?

Would you like to make Schindler everyone's first choice with us?

Would you like an AcceleRated career with us?

Why join us?

A Fast career track!

- 2.5 year accelerated development program
- Be a Leader in everything you do
- Join the big SMART family and have lots of resources to help you succeed
- Guidance and support from Job Coaches, Mentors and HR
- Full exposure and encouragement from Senior Management
- Work hard but play hard!

We will grow the business together. We want to see you lead as an EI Manager or Sales Office Manager after graduation.

What is the SMART Program?

SMART is a program aiming to accelerate the frontline leadership to fill in leadership gaps and pipeline; by acquiring and developing high potential participants through rotation, targeted learning intervention & coaching support.

Our ambition? To see you succeed so we as an organization can succeed together.

Be part of the most important part of our business – our front line.
